

Mr. Sayegh,

Thank you for performing my  
cataract surgery in January and for  
fitting me with Bausch & Lomb  
I see better each day. As a doctor,  
you are the best. You are kind, considerate,  
knowledgeable and you listen to your patients  
concerns. Your office staff is also wonderful.  
I cannot thank you enough and would  
recommend you to anyone having eye surgery.  
Thank you again.  
Marie
